**FOR IMMEDIATE RELEASE**

## **Social Security Workshop**

Social Security is a well known program in our country and pays out benefits to millions of Americans each year— make sure that you are aware of the eligibility criteria and the benefits and coverage offered. Kern Schools Federal Credit Union's (KSFCU) *Social Security* workshop with guest speaker Patricia Nicasio of the Social Security Administration will provide information about the benefits, services, and the tools available to assist you in planning for a comfortable retirement. Although Social Security is best known for its retirement program, Nicasio will cover much more than retirement, the workshop will include the topics of disability, survivors, Medicare, and Supplemental Security Income. The features available on the Social Security website will also be discussed.

Whether you are nearing your retirement age or interested in the benefits of Social Security disability, you need to understand and be aware of the programs provided. Don't miss out on the benefits you earned during your working years, attend KSFCU's free *Social Security* workshop on Thursday, April 29 from 6:00 p.m. – 7:30 p.m. at the KSFCU Administration building at 9500 Ming Ave, ½ block West of the Marketplace shopping center. Consumers can sign up by calling 833-7045 or by going online at [www.ksfcu.org](http://www.ksfcu.org).
