

Donation/Sponsorship Request Form

At Kern Schools Federal Credit Union, we recognize our role in the communities we serve. Our community-funding program supports primarily youth programs, public education, special Select Employee Group events, and events given by non-profit organizations in our community. Financial support cannot be given for political organizations or candidates, annual operating expense budgets and programs outside of the Credit Union's market areas. Due to the volume of requests, it is not easy to select donation requests from among so many outstanding programs. To help Kern Schools in considering your request, please complete the following form. Only completed request forms will be considered. Please allow 30 days for consideration.

Details of Applicant

Date: _____ Contact Name: _____
