Rocky Raccoon Savings Program

Rocky Raccoon has a special invitation just for you! If you're not yet a member, Rocky and his friends, the Rangers, want to invite you to join the Rocky Raccoon and the Rangers Savings Club. We'll even make your first deposit of \$5.00. This club is a fun and exciting way for you to save your money.

To become a member, simply visit any Kern Schools Federal Credit Union branch and open a Rocky Raccoon club account. All kids, age birth through 13 years old, are eligible to join the Rocky Raccoon Club. Club members learn how to make smart decisions with money and how those decisions will help them, their families, and their environment for years to come.

Once your account is opened, you will receive a big welcome from the staff, a savings record-keeper, a Ranger activity kit with special carrying case, coloring pictures, crayons, certificates from local merchants, and an activity book. You will also receive other gifts throughout the year too—like a Ranger birthday card, savings incentives and other surprises! And you'll love meeting Rocky's friends, the Rangers. There's Flip the Fur Seal, Dandy Dolphin, Kitty Koala, Pepper Panda, and Tinny Tiger. You will discover how the Rangers became endangered species and what's being done to help save them now. Rocky Raccoon Club members will also have the opportunity to save for — and collect — their very own Rangers.

Every time you make a deposit into your Rocky Savings Account, you will receive a token to save in the token bag. When you have enough tokens saved, you can choose various prizes and rewards. Visit our website at www.ksfcu.org and click on Rocky for a complete listing of prizes available.

Visit Kern Schools Federal Credit Union today to open your Rocky Raccoon Club Account and start saving today!

Did you know?

Compound interest makes your money grow! If you save \$10.00 a month at 4% interest, after 30 years, you will have \$6,940.00 in your account.
